

# **Cedar Ridge Camp**

## *Outdoor Education*

### *Recreational Activities*

- Fishing:** Try your skills with an old fashioned cane pole and meal worm. Learn which breeds of fish live in our lake. Watch out for the giant grass eating Carp. Practice safety while using hooks and tools. Win an award for catching a fish!
- Canoeing:** Build confidence and skills while using proper paddle techniques. Race your classmates around the lake. Life jackets and certified supervision is a must.
- Archery:** Experience the old and new of a valued sport. The archery range provides many levels of difficulty and success. Arm guards, correct usage and qualified instruction are provided. Win an award for hitting the bulls-eye!
- Hayride:** Climb aboard a wagon full of hay and enjoy the great outdoors. Sing a song or be the first to spot a deer or Blue Heron. Pretend you're a pioneer in a covered wagon on the way to your new homestead.
- Trekking Thru the Trees:** Hike in the woods with a Cedar Ridge guide. Learn how pioneers of the past lived off the land. Notice the different types of trees. Use our pocket guide to identify animal tracks placed in the woods, then take it home to use on your next adventure.
- Bug Safari:** Gather around our awesome bug collection and learn about the good, bad and ugly of insects. Go on a bug hunt in our natural habitat and look for bugs in season. See how insects change throughout the year.
- American Indian Lore:** Go inside our authentic teepee and take an historic peek at an American Indian's daily life. Make your own Cherokee basket game—it's yours to keep!
- Kentucky's Unknown Ocean:** Handle genuine fossils from the creeks of Cedar Ridge. Learn about the ocean that once covered this land. Identify various species. Make your own cast of a brachiopod.
- Settler's Toys:** Fashion a hand-crafted doll from corn husk. Learn about the games and activities of children from the past. See how similar we are to the kids of two centuries ago.
